## The Community of the Church – Who We Are

*2 Corinthians 5:14-21*

*All this is from God, who reconciled us to himself through Christ and gave us the ministry of reconciliation: that God was reconciling the world to himself in Christ, not counting people's sins against them. And he has committed to us the message of reconciliation. - 2 Corinthians 5:18-19*

What does it mean for me to bring the message of reconciliation?
